

Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to lqas.com and Applied Micro Technology, INC and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Applied Micro Technology, INC include lqas.com and Applied Micro Technology. The Applied Micro Technology website is a Banking Software Solutions site. By using the Applied Micro Technology website, you consent to the data practices described in this statement.

Collection of your Personal Information

In order to better provide you with products and services offered on our Site, Applied Micro Technology may collect personally identifiable information, such as your:

- First and Last Name
- E-mail Address
- Phone Number
- Company

If you input it into our website.

We do not collect any personal information about you unless you voluntarily provide it to us. However, you may be required to provide certain personal information to us when you elect to use certain products or services available on the Site. These may include: (a) registering for an account on our Site or sending us an email message. To wit, we will use your information for, but not limited to, communicating with you in relation to services and/or products you have requested from us.

Use of your Personal Information

Applied Micro Technology collects and uses your personal information to operate its website(s) and deliver the services you have requested.

Applied Micro Technology may also use your personally identifiable information to inform you of other products or services available from Applied Micro Technology.

Sharing Information with Third Parties

Applied Micro Technology does not sell, rent or lease its customer lists to third parties.

Tracking User Behavior

Applied Micro Technology may keep track of which pages our users visit, in order to determine what Applied Micro Technology services are the most popular. This data is used to deliver customized content and advertising to customers whose behavior indicates that they are interested in a particular subject area.

Automatically Collected Information

Information about your computer hardware and software may be automatically collected by Applied Micro Technology. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Applied Micro Technology website.

Use of Cookies

The Applied Micro Technology website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a website. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a website in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the website that you have returned to a specific page. For example, if you personalize Applied Micro Technology pages, or register with Applied Micro Technology site or services, a cookie helps Applied Micro Technology to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Applied Micro Technology website, the information you previously provided can be retrieved, so you can easily use the Applied Micro Technology features that you customized.

You have the ability to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Applied Micro Technology services or websites you visit.

Security of your Personal Information

Applied Micro Technology secures your personal information from unauthorized access, use, or disclosure. Applied Micro Technology uses the following methods for this purpose:

- Secure Socket Layer (SSL) Protocol. The SSL protocol encrypts all communication between your web browser and Applied Micro Technology's website.

We strive to take appropriate security measures to protect against unauthorized access to or alteration of your personal information. Unfortunately, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, you acknowledge that: (a) there are security and privacy limitations inherent to the Internet which are beyond our control; and (b) security, integrity, and privacy of any and all information and data exchanged between you and us through this Site cannot be guaranteed.

Children Under Thirteen

Applied Micro Technology does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

E-mail Communications

From time to time, Applied Micro Technology may contact you via email for the purpose of providing announcements, promotional offers, alerts, confirmations, surveys, and/or other general communication. In order to improve our Services, we may receive a notification when you open an email from Applied Micro Technology or click on a link therein.

If you would like to stop receiving marketing or promotional communications via email from Applied Micro Technology, you may opt out of such communications by clicking on the opt-out link included in our marketing emails.

External Data Storage Sites

We may store your data on servers provided by third party hosting vendors with whom we have contracted.

Changes to this Statement

Applied Micro Technology reserves the right to change this Privacy Policy from time to time. We will notify you about significant changes in the way we treat personal information by sending a notice to the primary email address specified in your account, by placing a prominent notice on our site, and/or by updating any privacy information on this page. Your continued use of the Site and/or Services available through this Site after such modifications will constitute your: (a) acknowledgment of the modified Privacy Policy; and (b) agreement to abide and be bound by that Policy.

Contact Information

Applied Micro Technology welcomes your questions or comments regarding this Statement of Privacy. If you believe that Applied Micro Technology has not adhered to this Statement, please contact Applied Micro Technology at:
